Re: Increasing Regional Philanthropy Campaign

Dear Kresge Foundation Board,

The Board of Trustees of the Baiardi Family Foundation, Inc. would like to thank the Kresge Foundation for their grant establishing the "Increasing Regional Philanthropy Campaign" in partnership with the Community Foundation for Southeast Michigan.

Your grant of matching funds provided an incentive towards the establishment of the "Baiardi Family Charitable Endowed Fund". Partnerships allow us to work together towards increasing philanthropy, and benefiting the greater Southeast Michigan Community.

We are proud to be affiliated with this campaign, and are pleased to provide grant monies establishing our endowed fund at the Community Foundation for Southeast Michigan.

Thank you, along with the Community Foundation, for providing not only the vision, but the means for impacting greater philanthropy now, and for the future, here in Southeast Michigan.

Sincerely,

The Board of Trustees  
Baiardi Family Foundation, Inc.
