

Common Grant Application Form

Dear Nonprofit Colleague:

The *Common Grant Application Form* was developed by a committee of the Council of Michigan Foundations to facilitate the application process for grantmakers and grantseekers.

Please keep in mind that every grantmaker has different guidelines and priorities, as well as different deadlines and timetables. Any funder that has agreed to accept this form may request additional information at any stage in the proposal process.

Instructions

Do your research to determine the foundations and corporations that make grants to your type of organization, in the geographic area in which you function and for your field of interest.

After you do your research, contact the grantmaker to secure their specific grantmaking guidelines.

A cover letter should be included with each proposal which introduces your organization and your proposal and makes a strategic link between your proposal and the funder's mission and grantmaking interests.

Please type and double-space all proposals.

Please answer all the questions in the order listed.

Please use the headings, subheadings and numbers provided.

Please submit the number of copies each grantmaker requests.

Please do not include any materials other than those specifically requested at this time.

Please do not send videotapes.
